### Walk 2. Walk along the River Bure and back via the Bure Valley Railway path

This is a pretty and peaceful walk in the Bure Valley of approximately 4 miles in length. It takes about 2 hours at a steady pace. Watch out for local wildlife including otters, swans, woodpeckers and deer. Being mostly on footpaths it is a popular choice for dog owners.

Turn left out of the Recruiting Sergeant car park and follow the main road for a short while. Go over the bridge via the footpath and immediately turn left through some trees onto the footpath along the river bank. Follow this footpath beside the River Bure for about 45 minutes.

At the end of the path turn immediately right along the road for a short while. When you come to another road go straight over and down the steps onto the path beside the railway line. Follow this back to Coltishall.

When you arrive at Coltishall station follow the track back to the road. Turn immediately right and follow the road back into Coltishall village and The Recruiting Sergeant.

Note. The Bure Valley Railway is Norfolk's longest 15 inch gauge line and runs between the towns of Aylsham & Wroxham. You may occasionally see either steam or diesel locomotives using the track.
